Hammered Series

Textured Collections

Steering away from simplicity, our brand-new textured collections offer an alternative to the norm.

Inspired by nature, all 3 of the textured collections are created using a blend of modern manufacturing techniques and traditional hand-crafted methods, with six, carefully selected premium brass finishes to choose from.

The 3 Collections are available in the following finishes: Antique Nickel, Autumn Bronze, Light Antique Brass, Smoked Brass, Satin Nickel, Imitation Bronze Unlacquered.
