

CROFT

Full Range of
Sliding Door Furniture

British designers and manufacturers of the finest architectural hardware

Welcome

We are delighted to showcase our full range of sliding door furniture, which includes our new contemporary Pull designs.

Available in rectangular, square and round options with a wide choice of sizes, depths and fixing options, the new Pulls provide a sleek and tailored aesthetic, with all the quality and sophistication expected from the Croft portfolio.

About Croft

Based in the heart of England and with a family manufacturing history dating back to 1868, Croft have a long-standing reputation for manufacturing excellence within our field. Our unique blend of traditional handcraft techniques infused with state-of-the-art machinery and seamless design innovations, ensures only the most alluring pieces of quality hardware are produced.

“Croft products are designed and manufactured in our Willenhall factory to perfectly meet the requirements of high end residential and commercial projects around the world.”

For our full range of door, window and interior hardware please visit our website or request the full Croft brochure.
