Il dinamismo leggero ed aggraziato dell'ornato invita ad una fuga vivace intorno alle forme di questa maniglia, inseguendo i giocosi dettami dello stile rococò preso a riferimento.

The light and graceful dynamism of the decoration invites to a vibrant escape around the forms of this handle, pursuing the playful laws of the rococo style taken as reference.

L'abito ornamentale Neoclassico, sobrio e moderato di cui questa maniglia si veste, nasconde una "armonica dissonanza" che si rivela ad un occhio attento.

The Neoclassic, sober and moderate ornamental suit with which this handle is dressed, hides an "harmonic dissonance" that unveils only to a careful eye.

I tipici disegni floreali arabi si intrecciano con le morbide cupole dei minareti in una perfetta cornice mediorientale.

The typical Arabic floral outlines interlace with the soft domes of the minarets in a perfect Middle eastern frame.
