DOOR LEVERS

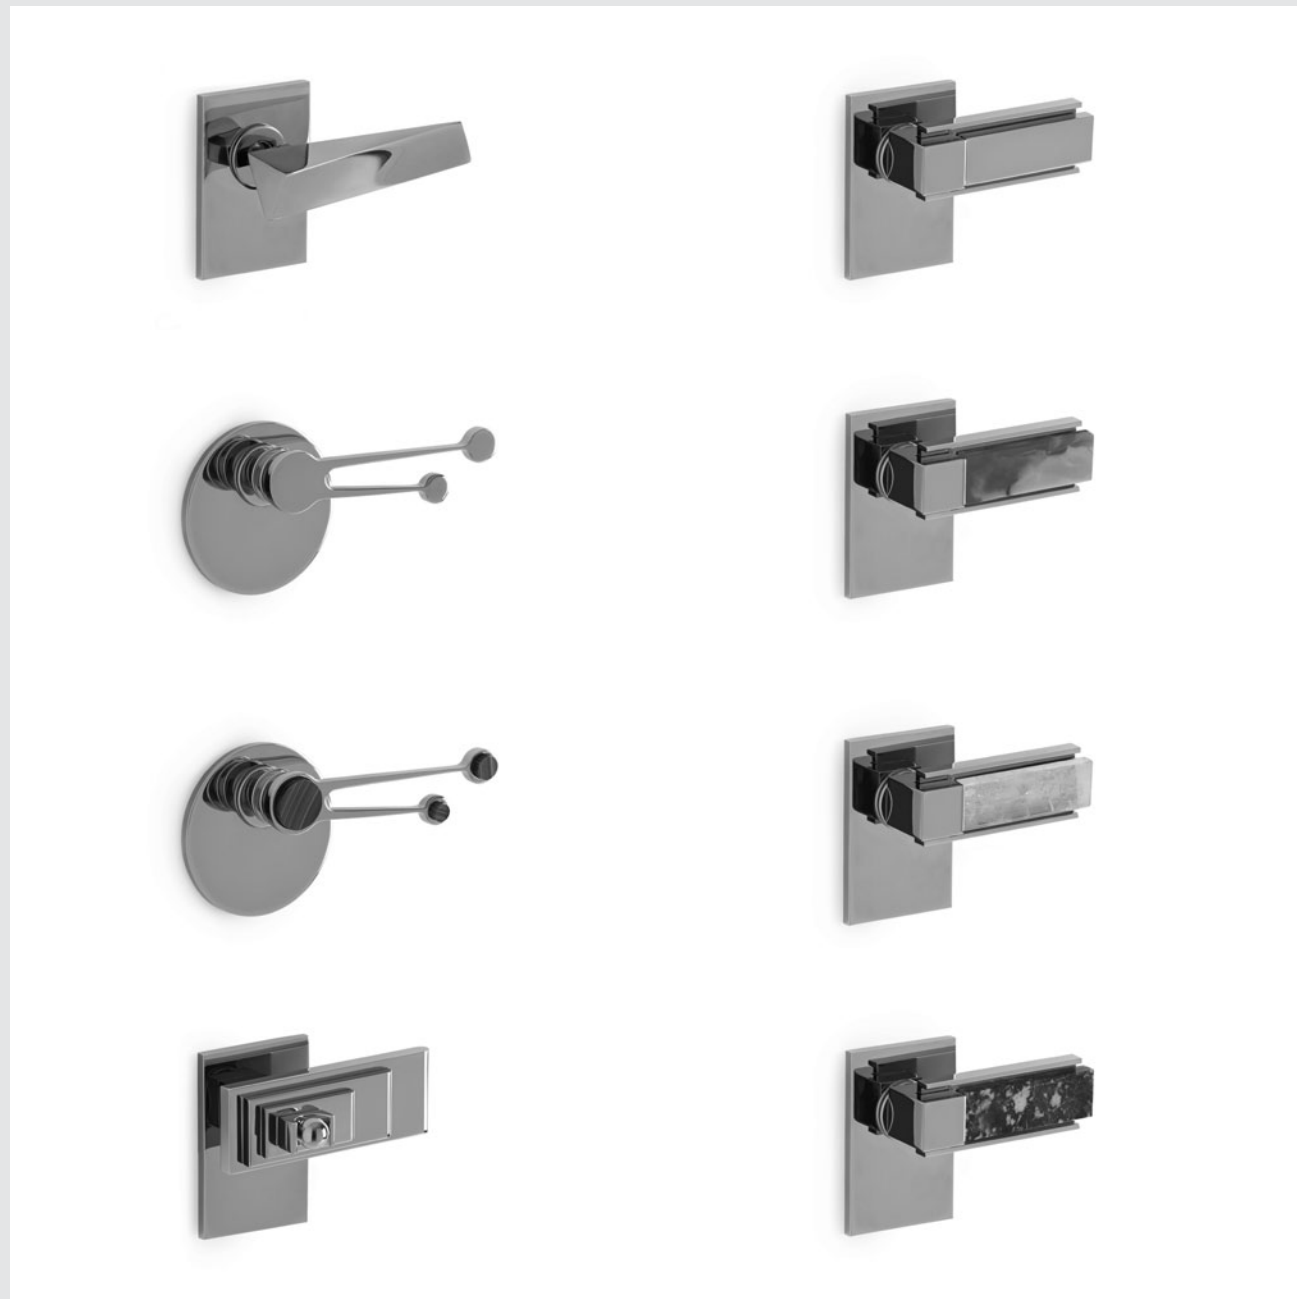

SHERLE WAGNER HARDWARE INCLUDES:

Door Levers; Door Knobs; Back Plates, Push Plates, and Flush Pulls; Door Trim; Bar Pulls; and Cabinet & Drawer Knobs.

Hardware extends the style and impact of Sherle Wagner beyond the bath and into the home. Whether the style is contemporary, classic, traditional, or ornate, beauty is in the details. A Sherle Wagner door knob promises taste and style upon entering the room.

Sherle Wagner Hardware is cast in solid brass or bronze, hand chased and polished, and plated in any of a vast choice of finishes. Semiprecious stone and onyx pieces accent the home with moments of beauty. China elements are hand decorated by our highly skilled artisans.
